Agenda Item Title: MENTAL HEALTH REFERRELS AND SERVICES SUPPORT TO VOICES FOR CHILDREN ADVOCACY CENTER FOR \$200,000

Prepared by: Shelly Sparks-Green

Background/Summary of Proposed Action:

Company Overview: Voices for Children (VCAC) is the result of the merger of Priority Children and Weiss Child Advocacy Center in 2017. Priority Children was founded in 1987 and Weiss Child Advocacy Center was the result of a merger in 2010 of the Child Advocacy Center of Genesee County (founded in 2000) and Consortium on Child Abuse and Neglect (founded in 1974 - doing only prevention work). In 2018, Voices added serving Shiawassee County through a merger with CAN Council of Shiawassee County, to develop a more sustainable program and staff for Shiawassee County.

Voices for Children serves as a voice and an advocate for children throughout Flint, Genesee County and Shiawassee County. Voices for Children provides crisis counseling, victim advocacy, and therapy/counseling for child survivors of abuse, neglect, human trafficking, and witness to violence. Services for child victims of abuse, neglect, human trafficking, and witness to violence benefit minority populations who have been disproportionately impacted by COVID19. This includes Black Indigenous People of Color (BIPOC), Latinx, LGBTQIA+, deaf/hard of hearing, and those with special health/cognitive needs. The reality is that 1 in 4 children in Flint will face child abuse before they turn 18.

That is 25% of the children currently growing up in our community. This is higher than the national average and indicates a need for support services. The only entity in Flint and Genesee County providing these specific services for this population is Voices for Children. The center has intentional focus on equitable program design. Many of the children and families served have lost family members to COVID or have adults/caregivers who continue to struggle with long term COVID. Additionally, job loss because of the pandemic increased stress for adults which, subsequently, increased instances of physical and sexual abuse perpetrated against minors.

Funding Purpose: The center has seen a recent increase in cases and is seeking additional funding for Crisis Counseling Services to ensure that children who have been victimized in our area can receive high-quality, evidence-based support. Crisis counseling occurs when a child has disclosed that they have been mistreated and/or when an abuse, neglect, or trafficking situation has been discovered. Services are provided for the youth (ages 0-17) as well as non-offending caregivers. Crisis counseling then seamlessly transitions, within the agency, to victim advocacy. Victim advocacy activities are case management to ensure all the child/teen's needs are met including basic needs like housing, food, clothing, safety, and education, then that they have support in navigating the justice system.

Victim advocates connect the child and family with in-house therapists who specialize in services targeted at children and teens who have been victims of physical and, or sexual abuse, neglect, and

human trafficking. Support groups are also available for survivors and, if they end up needing to testify in court against the person or people who hurt them, Voices for Children staff can help them feel prepared and confident to testify. Specifically, project activities include Crisis counseling, victim advocacy, and therapy/counseling including support groups and court preparation.

Program Services: Interview & Exam Services - Voices for Children Advocacy Center (formerly Weiss Child Advocacy Center) provides a place for abused children to tell their stories in a safe, friendly environment, with a single certified trained staff that can compassionately listen, examine, and ask all the necessary questions. Children and their non-offending family members meet with our Family Advocate and Forensic Interviewer to answer any questions they have. The Interviewer builds a relationship with the child to let them know that they are in a safe place and can tell their story. Behind the scenes, our staff, Law Enforcement, and Child Protective Services discuss a plan of action to keep the child and their family safe. The Family Advocate works with the family to navigate court proceedings, assess for and assist in addressing needs, refer to community support and therapy, and provide ongoing support. Because our facility is so home-like, we provide medical exams onsite by specially trained medical personnel, so they are less traumatic and stressful to children.

Multidisciplinary Team - Voices for Children Advocacy Center serves as the "hub" to the Multi-Disciplinary Team (MDT), a skilled team of professionals comprised of members of many organizations including law enforcement, social services, prosecution, mental health, medical, and victim advocacy personnel. The MDT work together in the investigation, treatment, management, and prosecution of child abuse, & neglect cases.

Family Advocacy - Family advocacy at Voices for Children Advocacy Center provides direct support to child victims and their non-offending caregivers. The purpose is to support the child and the caregiver in this time of crisis. Family advocates provide education about child abuse and help the family find any other resources they may need.

Advocacy and support are provided to the non-offending caregiver and the child by all our staff. The first person the family meets is the Voices for Children staff who talks to the caregiver about what will happen during the forensic interview, what happens after the interview, helps them fill out the necessary paperwork and explains the Victim Compensation Program.

The multi-disciplinary team (MDT) talks to the caregivers after the interview to again explain what will happen next and answer any questions they may have. Our Family Advocates will help the family find counseling and support them through the legal process (including helping the child understand what happens in court and if they must testify).

Project Outcomes: Outcomes include child and teen survivors of maltreatment having the support and resources they need to heal and thrive, children/teens feeling confident and prepared to testify in court, children/teens having opportunities to process through what has happened to them so they can reclaim their childhoods, heal, and thrive.

AGENDA ITEM TITLE: RESOLUTION TO APPROVE THE PURCHASE OF PROPERTY FROM GENESEE COUNTY LAND BANK AUTHORITY FOR CRONIN DERBY DOWNS DEVELOPMENT PROJECT

PREPARED BY: Gavin Bodnar

VENDOR NAME: Genesee County Land Bank Authority

BACKGROUND/SUMMARY OF PROPOSED ACTION:

Cronin Derby Downs is a City of Flint Park in Census Tract 135, Block Group 2, which is a low/mod neighborhood in Flint's 8th Ward. The site sits behind Flint Southwestern High School, and adjacent to I-69. Once completed the Flint Soap Box Derby will be providing courses at no cost to the City of Flint participants. Further, the Flint Soap Box Derby recognizes the significant financial impediments that would otherwise preclude City of Flint families and youth from participating in official Flint Soap Box Derby workshops, races, and events. As a result, this program provides the opportunity for low - and moderate - income families to take place in workshops, races, and events without the burden of cost considerations. At its core, the Flint Soap Box Derby prioritizes opportunity, accessibility, and ease of participation for all local families and youth.

AGENDA ITEM TITLE: Resolution Authorizing a Substantial Amendment to the City of Flint's CORONAVIRUS AID, RELIEF, AND ECONOMIC DEVELOPMENT SECURITY(CARES) ACT COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

PREPARED BY

VENDOR NAME: n/a

BACKGROUND/SUMMARY OF PROPOSED ACTION:

In accordance with 24 CFR (Code of Federal Regulations) Part 91, Subpart B, the city of Flint is required to amend its Consolidated Plan whenever it makes substantial amendments to the plan as defined in its Citizens Participation Plan. This amendment is considered substantial in that the city proposes to carry out new activities exceeding 15 percent of the federal program grant from which the funding is derived, the CDBG-CV program. The regulations also require that Citizens be afforded the opportunity to provide comments on the proposed changes.

On February 8th, the city formally gave notice of the beginning of a 30-day comment period by publishing the notice in the Flint Journal and on the city's website. Now that the comment period has exceeded the 30 days, the resolution approving the amendment can be presented to council for approval.

In March 2020, in response to the pandemic declaration by the World Health Organization, this nation enacted the Coronavirus Aid, Relief, and Economic Security (CARES) Act (P.L. 116-136), which made Community Development Block Grant coronavirus response (CDBG-CV) funds available to prevent, prepare for and respond to Covid-19, the respiratory illness caused by a type of coronavirus identified in 2019. The City of Flint received CDBG-CV funds in the amount of \$2,830,392.

CDBG-CV funds were initially awarded to agencies via Resolution No. 210368.1, adopted August 10, 2021, to carry out activities that prevent, prepare for, and respond to Covid-19. The amendment proposes reprogramming of said funds that remain unspent, for new activities that address Covid-19 and can be spent in a timely manner.

The City identified subrecipient agencies who were unable to meet spending and eligibility requirements despite collaborative efforts with Flint. Reprogramming of these identified funds is necessary to be compliant with the terms of the grant.

CITY OF FLINT

Subrecipient	Program	Amount
Flint Genesee Chamber	Small Business Assistance	\$535,000.00
Genesee County Habitat for Humanity	Homeowner Repair	\$500,000.00
Genesee County Health Department	Transportation to Vaccines	\$40,000.00
Genesee County Health System	Mental Health Mobility	\$350,000.00
		\$1,425,000.00

In order to meet the COVID requirement along with the other terms of the grant, the City has identified the following activities with demonstrated capacity to spend timely and eligibly.

Agency	Brief Description	Amount
Business & Comm Services/Parks	Cronin Derby Downs	\$625,000.00
Business & Comm Services/Comm Services	IGX Comprehensive Grants Management System	\$200,000.00
Food Bank of Eastern Michigan	Mobile Food Pantry	\$550,000.00
Catholic Charities	Food Distribution at its centers	\$50,000.00
		\$1,425,000.00

The Community Services Division believes that this substantial amendment to the CDBG-CV grant is necessary and will result in eligible and timely spending.

RESOLUTION APPROVING REALLOCATION OF ARPA FUNDS FOR YOUTH JOB TRAINING TO CITY OF FLINT CLEAN & SAFE SUMMER YOUTH JOB TRAINING PROGRAM FOR AN ADDITIONAL \$65,000

In 2022 and 2023, the City of Flint received funds pursuant to the American Rescue Plan Act of 2021 (ARPA), which could be used by the City for specific and defined purposes. In 2023, the City of Flint obligated all of the ARPA funding received, of which approximately \$40 million was obligated as “revenue replacement;”

City Administration recommends reallocating an additional \$65,000 of ARPA funds, previously obligated for revenue replacement, to provide funding to City of Flint Clean & Safe Summer Youth Job Training Program to provide summer jobs for youth ages 15-19 to eradicate idle time and keep them safe from crime by providing 5-weeks of summer employment paid through the ARPA Youth Job Training category for 5-7 non-profit organizations to host the participants.

Reallocated funds will be moved from #101-287.000-963.000 as follows:

Account	Description	Amount
101-728.018-801.000	Additional funding for the City of Flint Clean & Safe Summer Youth Job Training Program/Youth Job Training	\$65,000

IT IS RESOLVED that the appropriate City officials are authorized to do all things necessary, including executing any necessary agreements, to appropriate funding from the funding source account #101-287.000-963.000 to City of Flint Clean & Safe Summer Youth Job Training Program in the amount of \$65,000. Based on review and validation of the appropriate fund use by the City's compliance firm, implementation of these funds will be consistent and compliant with US Department of Treasury requirements and previously approved authorizations.

Agenda Item Title: RESOLUTION APPROVING REALLOCATION OF ARPA FUNDS FOR YOUTH JOB TRAINING TO CITY OF FLINT CLEAN & SAFE SUMMER YOUTH JOB TRAINING PROGRAM FOR \$200,000

Prepared by: Shelly Sparks-Green

Background/Summary of Proposed Action:

City of Flint Clean & Safe Summer Program – is a program created by Mayor Sheldon Neeley for the purpose of controlling youth crime activities during the summer months of June – August 2024. This initiative is part of a larger crime fighting platform that is funded through the Department of Justice CVIPI grant in partnership with the City of Flint Police and Fire departments. CVIPI has funded several organizations that focus on crime reduction and gun violence including Peacekeepers, Mans Movement, WOW Outreach, and Hurley Trauma Recovery Center.

Program Purpose: City of Flint Clean & Safe Summer Youth Job Training Program will provide summer jobs for youth ages 15-19 to eradicate idle time and keep them safe from crime by providing 5-weeks of summer employment paid through the ARPA Youth Job Training category for 5-7 non-profit organizations to host 10 participants each at their site. Each organization will be awarded up to \$35,000 for administrative reporting and program costs. The youth participants will be paid \$11.00 per hour for 29 hours each week. The program will start on June 17, 2024, and end on July 19, 2024.

Funding Purpose: The program has received an enormous amount of public support resulting in 171 kids signing up for summer job training and we only expected 70 kids. To meet the need, we are asking to allot \$65,000 more to support three more non-profits in this endeavor of Clean and Safe Summer Youth Job Training to prevent idle time for our young citizens. Below is a list of organizations with youth placement:

McCree; Good Church; Cathedral of Faith; North Flint Action Council; LatinX; Faith Foundation Resources; Fresh Water Future - Water Lab

BACKGROUND/SUMMARY OF PROPOSED ACTION:

The City of Flint Planning Commission conducted a public hearing on April 9th, 2024 regarding potential updates to Article 18: Administration and Enforcement to add an additional enforcement option and clearly define additional staff with enforcement capabilities. Staff worked with the Legal Department to draft these changes and they have been approved for review and potential adoption.

The first proposed change would clearly denote the Building Official and their designated staff as having the authority to enforce the Zoning Ordinance, as was permitted under the prior Zoning Ordinance. The overall impact is not significant as the Zoning Coordinator can designate staff, however, it would more clearly allow the Building Official to designate their staff such as the Neighborhood Enforcement Officers.

The second proposed change would add additional language allowing enforcement staff to issue a municipal civil infraction, in addition to the other enforcement powers noted in Section 50-202. Sections 1-10 through 1-21 are attached, these sections define the process, fines, and penalties for a municipal civil infraction and subsequent violations. The benefit of this process is that it avoids a respondent having to secure legal representation, rather settling the matter in a more informal court setting.

POSSIBLE BENEFIT TO THE CITY OF FLINT (RESIDENTS AND/OR CITY OPERATIONS) INCLUDE PARTNERSHIPS AND COLLABORATIONS:

These ordinance amendments will allow for city staff to take action ensuring that land use regulations dictated by the Comprehensive Plan, the Zoning Ordinance, and decisions made by the Planning Commission and Zoning Board of Appeals can actually be enforced.

FINANCIAL IMPLICATIONS: This could possibly lead to increased revenue for the city from increased fees and penalties paid from increased municipal civil infractions.

Memorandum

Date: March 25th, 2024
To: City of Flint Planning Commission
From: Max Lester, Int. Zoning Coordinator
Subject: Details of Proposed Article 18: Administration and Enforcement Text Amendments

Commissioners,

At the March 12th, 2024 meeting staff requested a Public Hearing be set to discuss potential updates to Article 18: Administration and Enforcement to add an additional enforcement option and clearly define additional staff with enforcement capabilities. Below is an explanation of the recommended changes in the attached draft documents. Changes are noted with highlighted text. Staff worked with the Legal Department to draft these changes and they have been approved for review and potential adoption.

Relevant Sections of the Zoning Ordinance:

Article 18: Administration and Enforcement
Section 50-200 B. Code Enforcement Responsibility
Section 50-202 Enforcement Powers

Draft Amended Sections and Explanations:

Section 50-200 B. Code Enforcement Responsibility

Code Enforcement Responsibility. The enforcement of this Chapter shall be the responsibility of the Zoning Coordinator, staff designated by the Zoning Coordinator, **the Building Official, and staff designated by the Building Official.**

The proposed change would clearly denote the Building Official and their designated staff as having the authority to enforce the Zoning Ordinance, as was permitted under the prior Zoning Ordinance. The overall impact is not significant as the Zoning Coordinator can designate staff, however, it would more clearly allow the Building Official to designate their staff such as the Neighborhood Enforcement Officers.

Section 50-202 Enforcement Powers / 50-202 H. Municipal Civil Infraction

Municipal Civil Infraction. A violation of this Chapter shall be a municipal civil infraction pursuant to and punishable by § 1-10 through § 1-21 of the Flint City Code of Ordinances. Those Persons identified in § 50-200 (B) may issue a municipal civil infraction for a violation of this Chapter.

The proposed addition would allow enforcement staff to issue a municipal civil infraction, in addition to the other enforcement powers noted in Section 50-202. Sections 1-10 through 1-21 are attached, these sections define the process, fines, and penalties for a municipal civil infraction and subsequent violations. The benefit of this process is that it avoids a respondent from having to secure legal representation, rather settling the matter in a more informal court setting.

(1) A judge or magistrate shall issue an order to enforce this Code, enjoin a violation of this Code and/or abate a violation of this Code, and shall order the defendant to pay all costs associated with enforcement of this Code, enjoining a violation of this Code and/or abating a violation of this Code, for any defendant determined responsible for a municipal civil infraction.

(2) Upon a written ex parte motion with affidavit a judge or magistrate shall be authorized to issue an order to enforce this Code, to enjoin a violation of this Code and/or abate a violation of this Code prior to a determination of responsibility.

a. A defendant shall be required to pay all costs associated with the enforcement of this Code, enjoining a violation of this Code and/or abatement of a violation of this Code, only if the defendant is determined responsible.

(c) Each violation, and each day upon which any such violation shall continue to exist, shall constitute a separate offense and shall be considered a continuing violation.

(d) A judge or magistrate is authorized to order any remedies provided for in this Code along with any equitable or other remedies available by law.

(e) The judge or magistrate shall be authorized to impose fines, costs, damages and/or sanctions as provided by law.

(f) A municipal civil infraction citation shall not be a lesser included offense of a criminal offense or of an ordinance violation which is not a civil infraction.

(g) For violations of an owner or occupant of the subject property concerning the use, condition, occupation of land, building or other structure, fines, costs, damages and/or sanctions which are delinquent shall be a lien against the property, and assigned to the City of Flint's tax roll.

(1) Upon a finding of responsibility, a defendant shall be immediately responsible for all fines and costs, unless the court orders a longer time, but in no case shall a defendant have longer than 90 days from the time of the finding of responsibility to make full payment.

(2) If a defendant has not made full payment within 30 days after the date on which payment is due under section (g)(1), the payment shall be considered delinquent.

(3) In a municipal civil infraction action brought for a violation involving the use, occupation, condition of land, a building or other structure where the payment is delinquent, the City of Flint shall record the lien against the property which is the subject matter of the violation by recording a copy of the court order requiring payment of the fines, costs, damages and/or sanctions with the Genesee County Register of Deeds. Such order or judgment shall include a legal description of the property.

(4) The court order recorded with the Genesee County Register of Deeds shall constitute notice of the pendency of the lien. In addition, a written notice of the lien shall be sent by the City of Flint by first class mail to the owner of record of the land, building, or structure at the owner's last known address.

(5) The lien may be enforced and discharged by the City of Flint in the manner prescribed by its Charter, the General Property Tax Act, 1896 PA 206, MCLA 211.1 to 211.157, or by ordinance. However the property is not subject to sale under the General Property Tax Act, 1896 PA 206, MCLA 211.1 to 211.157, for delinquent property taxes or under this ordinance.

(6) A lien created under this section has priority over any other lien unless one or more of the following apply:

a. The other lien is a lien for taxes or special assessments.

b. The other lien is created before May 1, 1994.

c. Federal law provides that the other lien has priority.

d. The other lien is recorded before the lien under this section.

(7) A political subdivision may institute an action in a court of competent jurisdiction for the collection of the judgment imposed by a court order for a municipal civil infraction. However, an attempt by the City of Flint to collect the judgment by process does not invalidate or waive the lien upon the land, building or structure.

(8) A lien provided for by this section shall not continue for a period of longer than five (5) years after a copy of the court order imposing a fine, costs or assessment is recorded, unless within that time an action to enforce the lien is commenced.

(9) If a defendant defaults in the payment of a civil fine, costs, assessment or if applicable, or any installment, as ordered pursuant to this section that does not deal with property and therefore is not subject to the lien procedure, that defendant shall be subject to civil contempt procedures as outlined in MCLA 600.8729.

Commissioner Jewell reiterated his concern from the February 27th, 2024 Planning Commission meeting that there is an "information overload" with the amount of material staff is providing to the Commissioners for review as well as the high volume of public hearings and site plan reviews on the agenda. He also commented on the high volume of case reviews for conditional approvals made by the Planning Commission that are still pending.

Commissioner Jewell recommended setting aside time at a future meeting to discuss the department name change from "Planning and Development" to "Business and Community Services."

PC 24-08: The City of Flint is proposing Text Amendments to Article 18 Administration and Enforcement of the City of Flint Zoning Ordinance.

Max presented the staff report. The proposed changes would clearly designate the building official, and staff designated by them as having authority to enforce the Zoning Ordinance. The proposed changes would additionally allow staff to enforce violations by issuing municipal civil infractions.

Commissioner Munroe-Younis asked Max if they still believe the proposed enforcement options to be the most appropriate. Max explained that they do and currently the only options for enforcement are to seek a court order or an injunction which are not ideal for the City or respondents.

Commissioner Jewell asked what the disadvantages are of the proposed text. Tyler stated the disadvantages are that the City is currently incapable of effectively enforcing the Zoning Code.

Commissioner Sorenson asked if the enforcement officer would have the ability to make decisions on subjective situations. Max explained the enforcement officer would need to reference enforcement action to a specific provision in the Zoning Code. Additionally, the text would limit enforcement to only the Zoning Code by identified enforcement individuals.

Chairperson Wesley opened public comment on PC 24-08. No one spoke.

Commissioner Jewell asked staff if there had been any additional communications regarding PC 24-08. Max said there have not been any additional communications regarding PC 24-08.

Commissioner Munroe-Younis made a motion to send a resolution to the City Council recommending approval of the proposed Text Amendments to Article 18 Administration and Enforcement of the City of Flint Zoning Ordinance. Commissioner Blower seconded the motion.

SITE PLAN REVIEW:

SPR 24-05: The applicant Crooked Ladder Inc. requests approval of a Site Plan Review Application to redevelop the property located at 2730 S Dort Hwy (PID #41-20-278-019) into a "Group G", Class A Marihuana Microbusiness.

Brian read the staff report. He noted that there are three variances that were approved by the Zoning Board of Appeals for this project. Staff recommends conditional approval of SPR 24-05 pending completion of Water and City Engineering Department reviews and allowance of planters along the building as a substitute to the required building foundation zone landscaping. Brian noted that the Fire Department had requested the addition of a fire hydrant to the site to which the applicant has complied, however the hydrant is currently not displayed on the plans.

Commissioner Jewell reiterated his desire for renderings of proposed developments to be provided, especially in the case of marihuana related development. He additionally raised concern on the requested conditions of approval and stated his belief is that without completion of all departmental reviews he would normally consider the application incomplete.

Commissioner Jewell asked staff if they requested a rendering be provided. Brian explained that the Ordinance does not require a rendering as part of the application and staff views requiring a rendering to be an undue financial burden on the applicant. Brian stressed there being a distinction between brand new developments that are by nature a spectacle versus a redevelopment of an existing site. Brian advised the Commission to request a text amendment to require renderings as part of applications if they deem it necessary. Commissioner Jewell stated that the Planning Commission has historically received renderings as part of applications and believes having them provided would benefit applicants.

John McNicol, the business owner, presented the application.

Chairperson Wesley asked what the building would look like. Mr. McNicol said the building will look very similar to how it looks now with renovations such as repainting and replacing the metal siding.
