This addendum has been issued to communicate the following additional information in regard to the Scope of Work:

- The pavilion at Ophelia Bonner Park will be resized from 40x50 feet to 16x24 feet. It will remain in the same location, and we would like it to maintain the same style discussed during the pre-bid meeting, featuring a timber frame with a metal roof. Under this pavilion, we would like four 8-foot-long ADA-compliant picnic tables, which should be secured to the ground.
- The pavilion at Dewey Park will have a metal roof with a timber frame. The frame should come to a point, as discussed during the pre-bid meeting.
