- Instructions:
• An extension to file does not extend the due date to pay tax. Tax paid late will be assessed late fees.
• Line 1: Enter the total tax liability you expect to report on your 2024 Form F-1040, page 1, line 23.
• Line 2: Enter the total payments that you expect to report on your 2024 Form F-1040, page 2, line 4, not including the extension payment reported on line 3 of this form.
• Filing date: The income tax ordinance limits an extension to SIX months from the original due date.

- Related Information:
• Federal extension: Filing a federal extension (Form 4868) with the Internal Revenue Service does not grant an extension of time to file a Flint income tax return.
• Persons living outside the United States: Where the Internal Revenue Code grants an automatic two-month extension to persons living outside the U.S., an automatic two-month extension will be granted.

- Payment:
• An extension is automatically granted upon payment of the balance due (line 3); failure to pay the balance due invalidates the extension request; an extension filed without a payment will not be accepted.
• Interest and penalty will be assessed on taxes paid late even if an extension of time to file is granted.
• Penalty may be waived by the Income Tax Administrator if the tax paid by the original due date is not understated by more than 5% of tax or the taxpayer can show that the failure to pay on time was due to reasonable cause.
