

CITY OF FLINT

SHELDON A. NEELEY
Mayor

City of Flint Resident:

Along with your application for the Lead-Based Paint Hazard Control Program we will need the following documentation to verify your eligibility for the program. You must meet income and residency requirements as well as having a child who lives in or visits the home who is aged six or under. Please submit the following documentation with your application:

- A copy of the driver's licenses or state identification of all adults in the home.
- Income for 30 days from all adults in the home, pay stubs, employer statement, social security, etc.
- Two most recent bank statement for all adults.
- Copy of the deed to the home (If a homeowner, if a renter, submit the first page of your lease.)
- Copy of homeowner's insurance policy. (If you are a renter, ignore this requirement)
- Age verification of a child aged six or under who lives or visits the home. (Birth certificate or vaccination records.)

If you have no income or bank account, we have forms you can fill out in lieu of those documents. If you have no homeowner's insurance, you must provide a quote. If you need help with anything, please contact us at:
