### ZONING BOARD OF APPEALS USE VARIANCE APPLICATION

The below standards are used to review the proposed use variance. All five standards must be met for approval. Per the City of Flint Zoning Ordinance, §50-196 Variance Procedures:
Unnecessary Hardship. That the condition, location, or situation of the specific property or intended use of the property that creates an unnecessary hardship is unique to that property and the zoning district.
Cannot Be Reasonably Used. That the land, building or structure cannot be reasonably used for the permitte uses in the zoning district.
3. Not Self-Created. That the need for the variance was not created by the applicant or the applicant's predecessors in title.
4. No Substantial Detriment. That the variance shall not alter the essential character of the neighborhood, nor be a detriment to adjacent properties.
5. Consistency with Comprehensive Plan/Zoning Ordinance. That the variance shall be consistent with, and not materially impair, the purpose and intent of the Comprehensive Plan and Zoning Ordinance.

In authorizing a variance, the Board may attach conditions regarding the location, character and other features of the proposed structure or use as it may deem necessary in the interest of the furtherance of the purposes of Chapter 50 and in the public interest, and may require a guarantee or bond to insure that the conditions imposed are being and will continue to be complied with.

Variance approval is valid for one year from the date of approval. If the applicant has not established the use in the case of a use variance within this time the variance approval shall expire. If a building permit is issued within a year of the variance approval, but the building is not completed before expiration of the building permit and the permit is not extended, the variance approval shall expire.

Any persons having an interest affected by a decision of the Zoning Board of Appeals shall have the right to appeal to the circuit court on questions of law and fact.
